EXPERIENCE

Betteronics Alpha Pvt. Ltd.   **Sep 2023- Oct 2024**
Junior Software Developer

- Designed and implemented RESTful APIs and integrated third-party services, streamlining data retrieval and processing.
- Collaborated with senior developers to debug and enhance existing applications, resulting in a 15% reduction in bugs and issues.
- Assisted in the development of web applications using HTML, CSS, and JavaScript, gaining foundational knowledge of the MERN stack.

Packapeer Academy Pvt. Ltd.   **Dec 2022- Jun 2023**
Intern Trainee

- Actively contributed to the development of web applications by designing and implementing robust backend APIs using MERN Stack.
- Engaged in continuous learning and skill development, leading to an increased proficiency in React.js and Node.js.

PROJECT

Onlinekart (E-Commerce Application)

- Built a comprehensive backend system using Node.js and EJS templating for frontend views.
- Implemented secure payment processing with third-party APIs, ensuring compliance and enhancing transaction security.
